

**Motwani
Jadeja**
Foundation

Hello Rajeev Circle Fellows, Friends and Colleagues!

Many exciting things are happening at the Motwani Jadeja Foundation (MJF) and we wanted to share them with you in our new monthly newsletter. Our mission has always been to continue empowering people to achieve their full potential and we are proud that many in our growing community are pushing the boundaries and are innovating technologies and solutions to disrupt the status quo. We hope that through our different programs, partnerships and extensive network, we are building a movement that can help bring about peace, prosperity and ecological sustainability in our regions of activity.

Founder of MJF, Asha Jadeja believes that “critical mass and momentum arises automatically when like minded entrepreneurs dream together”. We hope you enjoy this first newsletter and we look forward to your continued engagement and feedback, and most importantly, we hope you keep dreaming!

NEWS: Upcoming RC Fellowship Webinar

Join our Webinar on Design next
Wednesday 12th September at 9:00 am
PST

Every second Wednesday of every month the RC Fellowship is hosting a Live Webinar with new topics every time. Join us with our guest speaker Ali Murtaza to talk about how good design works and what's the process behind creating it. The Webinar is free and you can join from anywhere in the world!

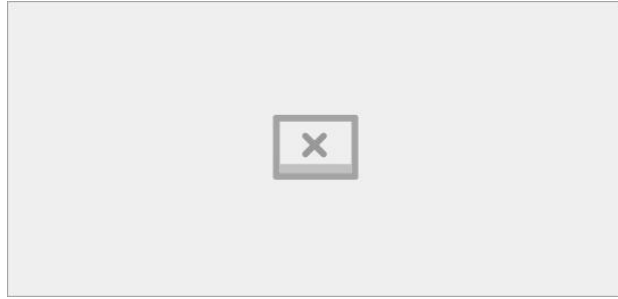

Topic: Design: A Problem Solving Toolkit
Speaker: Ali Murtaza (RC Fellow 2017,
Designer, Design Educator)
Time: 9:00 am PST (Pacific Standard Time)

To join the Webinar [click here](#)

Watch this video to learn more about the work of the Motwani Jadeja Foundation.

Do you know someone talented that wants to join the RC Fellowship in 2019?

Nominate him/her by filling out [this](#) form.

NEWS: The First Maker Fest Kochi to launch in October 2018 in Kerala.

We are delighted to share that the first Maker Fest Kochi will be held in Kochi, Kerala in October 2018. Maker Fest Kochi will be hosted by Kerala Startup Mission in association with MJF, a lead sponsor of the event alongside the Government of Kerala. Kerala is home to over 20 Fablabs setup by Kerala Startup Mission and is a prominent state in India's growing technological revolution.
